

ALPHA PARKING

Harpenden Town Council Car Park Occupancy & Duration Surveys

Harpenden Town Council has commissioned Alpha Parking Ltd to undertake a Parking Occupancy & Duration surveys around seven car parks in Harpenden.

The surveys beats were carried out every hours, starting at 07:00hrs and ending at 19:00hrs. For each car park a survey was carried out on one Wednesday and one Saturday in April and May 2019 avoiding the school half term.

The last three VRM letters were recorded to ensure a record was kept of how long each vehicle stayed parked, from these results a percentage for each duration group has been calculated.

Questionnaires were given to the members of the public that parked in the car parks, the data has been provided in a separate report.

Submission: May 2019
